

## CHRIS-CRAFT STINGERS

### Welcome to the March, 2013 Newsletter!

Welcome to the March, 2013 edition of the [chriscraftstingers.com](http://chriscraftstingers.com) newsletter.

There are now officially 551 Stingers in the registry. And while the number of new Stingers I find on a monthly basis continues to slow, activity on those in the registry has picked up. March seems to be when owners start listing their boats for the season, and prospective owners are looking. This should continue to grow in the next couple of months.

As for the website, I have added a google+ button to the pages for anybody using the service. It's my goal for the website to reach as many people as possible, and I believe this is one way to do it.

Until next month,  
Han

### Is This the 385 Model Code?

As long time readers know, I've been documenting Stingers in an attempt to figure out just how many Stingers were built by model and year. From my research, I have talked to many ex Chris-Craft employees, and each has said that they don't have any documentation on just how many Stingers were built. So, I've had to resort to using hull numbers that Stinger owners have sent to me. Through the hull numbers I've been able to identify all of the hull codes used on Stingers except the 385. The 385 is interesting in that 1) there were very few built, 2) they are

similar, if not identical to the 375. The 375 only shows up in the 1988 Chris-Craft brochures while the 385 only show up in the 1989 brochures. And while I have a theory that the 385 is just a 375 with a different model code, I could not really be sure.

Now, however, I may have an answer. An owner of a 385 has graciously sent me his hull number – and it turns out the model code is FB – the same model code as the 375. While this is something I suspected, I'm not going to call it just yet. I want to at least get one more 385 hull number to verify the model code. Hoping this happens sooner rather than later!

### Stinger 222 Raffle

One of the great things about running this website is hearing about all of the Stingers people are working on. And the project I'm going to tell you about is both interesting and for a good cause.

First, though, a little about the owner. M&M Boat Sales and Service, located in Middle River, MD. I was first contacted by Mike at M&M boats a couple of years back. He was looking to buy a Stinger 222 for restoration. Over the years, M&M has bought and restored 5 222s.

Their next 222 project is being restored for a very good cause. They are creating a Baltimore Ravens themed 222. Their plan is to have the boat completed before the 2013 season. At that time, the boat will be raffled off with proceeds donated to Pathfinders for Autism in Baltimore,

MD. The mission of Pathfinders is "to improve the lives of individuals with autism and the people who care for them". You can find out more about Pathfinders for Autism at [pathfindersforautism.org](http://pathfindersforautism.org).

As for the 222, M&M is currently moving along on the boat. Mike has sent me the following renderings of what the completed boat will look like:

You can follow the progress of the boat by going to M&M's facebook page: [www.facebook.com/MMBoats](http://www.facebook.com/MMBoats).

The date of the raffle has not yet been set. Tickets are expected to be \$50. I will follow up in an upcoming newsletter when the specifics have been decided.

One more piece of information about this project – they may restore

another 222 - this time with a Baltimore Orioles theme.

## Stingers for Sale

This is a very clean 1987 Chris Craft Stinger 260 on a 1995 Performance Trailer. This boat has been maintained with an open checkbook and it shows. The 350's have approx. only 40 hours on them, high rise Edelbrock intakes that are near new. This boat cruises at 3000 rpms or 35-38 mph with a top end of near 70 mph. It has a CD player, bolster seats, huge sundeck, refrigerator, swim platform with ladder, 2 stainless steel props. This one is ready for the water. It does come with a custom cover, however, it is age delicate and could be replaced. Really nice boat - Must see to appreciate it!

**Model: 1987 312 Fittipaldi**  
**Location: Dodge Center, MN**

A great go fast boat that will impress everyone when flying by. Red in color with white and red accents interior that are stunning for the 30 yr old vessel. Grey interior for the aft cabin w/toilet, sink and older radio with room to spare. Radar arch with Lowrance depth finder for finding fish or that shoal. Twin 454 Chevrolet engines and out-drives that will push the boat to speeds of 60 and more. Triple axel aluminum trailer included that is very easy to pull and maneuver.

**Model: 1987 390**  
**Location: Hilton Head Island, SC**  
**Asking Price: \$89,500**

1987 Chris Craft Stinger 42ft. Mercruiser twin 496 engines, Myco trailer, deck awning, head, 3 batteries and fiberglass hull. We purchased the boat as a hull then totally restored it about 10 years ago. About 6 years ago we installed two new 496 magnum merc cruiser engines with currently about 200 miles. We rewired the entire boat about 3 years ago. This season we replaced the manifolds So the boat has been maintained and is in good working order I would characterize the finishes of the boat as "worn around the edges" but as hinges and snaps corrode we replace them The boat has a working head & shower Galley/ microwave/ref/sink TV stereo/cd/sat system/ ipod dock deck compass GPS

**Model:** 1988 202  
**Location:** Rochester, NY  
**Asking Price:** \$8,000

I have a super rare 88' chris craft stinger 202 for sale. It has 165 hours on the hull. This boat is like brand new. I literally just finished it. This is the coolest fiberglass speed boat that Chris Craft ever made and was made for the Miami Vice tv series. They were built in very limited quantities and there are only a handful of these left. There is a website dedicated to them, I know of no other boats that have a cult following. I built this one to be better than it was originally. It is an attention grabber. I get compliments on it wherever I am and have had numerous offers on it even before I restored it. I'm selling it because I'm getting married and need the money. I just put well over \$7500 into it this summer alone and have well over 12K into it total. I had planned on using it but sadly it needs to go. Weddings are insanely expensive and I'm finding out the hard way. I replaced the motor and outdrive. It has an OMC 4.3L v-6 and an OMC cobra outdrive. Next, I gutted the boat completely and installed new marine ply, fiberglass, carpet, custom built seats and engine cover and had everything professionally upholstered. I installed a new GT steering wheel, a Sony marine cd/mp3/satellite radio which sounds awesome, a new bilge pump, new fuel lines, new aluminum swivel/slider/adjustable height seat posts and new Tracker style folding seats. The interior work cost over \$4K alone but was well worth it. It came out awesome. I had a 4bbl. Rochester carb installed which brings the HP up to 205 and will do over 60MPH. I had the pin striping re-done on the boat and matching Shorelandr trailer. I replaced the tires, lights, and started to strip and repaint the entire trailer. It also has a new deep cycle battery. There are 2 swim platforms molded into the stern that have teak foot boards and they were also refinished and look great. I also just purchased a new trailerable cover for it. I even just filled the tank with ethanol free 93 octane fuel. I'm probably forgetting a lot. If you're interested you must include the words eighty-eight chris craft to get a response due to spammers. I know it's the wrong time of the year to sell a boat and I could get more for it this spring which is why I priced it where it is. It is well worth the money. Chris craft builds the very best boats around and this one is better than new.

**Model:** 1988 260  
**Location:** Covington, LA  
**Asking Price:** \$10,500

88 Chris Craft Stinger with 2- 330hpr 350 V8's We have redone all the exterior upholstery and 90% of the interior. New stereo and VHS Port engine has 50 hrs stbd has 300 hrs Remaining issues Stbd engine has a leaking exhaust manifold that needs to be addressed. I am connecting the stereo and VHS before it sells. I have also been reinforcing the swim deck. This boat is well worth the money and leaves plenty of room to make money on this boat if that is your choice. I have all documentation from new and from the original owner. Worth the time to look and see if it's your ticket to the Prop Stop.

**Asking Price:** \$6,500

1986 31' Chris Craft Stinger for sale. Includes an Aluminum triple axle Magic Tilt bunk trailer. The boat is set up for outboard motors and it has factory set back brackets for increased performance over transom mounted models. Boat was completely rewired over the last year for 12 VDC and 110AC wiring. It has Seastar hydraulic steering and K plane trim tabs. Has Clarion sound system with remote control, 4 speakers plus a subwoofer and two amps driving them. Has pump out head with holding tank. Refridgerator. The boat is rigged for Yamaha motors with most all the rigging being new including Yamaha's fuel management sytem. Interior and cockpit upholstery are in good shape with a

couple areas needing attention. Has a nice cockpit cover and has a brand new bimini top as well although the bimini top color does not match very well. This has been a multi year project that I have lost interest in. The boat currently has a pair of 2001 Yamaha 250hp motors on it, but they will be removed unless you want to buy them as well. Email for details on those if you like. Price is fairly firm, but I may take up to half the value in trade on a Polaris Sportsman ATV. This price is for the boat and trailer only, not the motors.
